

## Indescribable

1. From the highest of heights to the depths of the sea  
Creation's revealing Your majesty  
From the colors of Fall to the fragrance of Spring  
Ev'ry creature unique in the song that it sings  
All exclaiming

### **Chorus 1**

Indescribable uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God  
All powerful untamable  
Awestruck we fall to our knees  
As we humbly proclaim  
You are amazing God

2. Who has told ev'ry lightning bolt where it should go  
Or seen heavenly storehouses laden with snow  
Who imagined the sun and gives source to its light  
Yet conceals it to bring us the coolness of night  
None can fathom

### **Interlude**

You are amazing God

### **Chorus 2**

Indescribable uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God  
Incomparable unchangeable  
You see the depths of my heart  
And You love me the same  
You are amazing God

### **Ending**

You see the depths of my heart  
And You love me the same  
You are amazing God  
(REPEAT)

You see the depths of our hearts  
And You love us the same  
You are amazing God

Of water earth and sky  
The heavens are Your tabernacle  
Glory to the Lord on high

You are holy holy  
The universe declares Your majesty  
You are holy holy  
Lord of heaven and earth  
Lord of heaven and earth

I will celebrate the light  
When I stumble in the darkness  
I will call Your name by night

Hallelujah (to the Lord of heaven and earth)  
Hallelujah (to the Lord of heaven and earth)  
You are holy

## So Will I (100 Billion X)

1. God of creation there at the start before the beginning of time  
With no point of reference You spoke to the dark  
And fleshed out the wonder of light

### **Chorus 1**

And as You speak a hundred billion galaxies are born  
In the vapour of Your breath the planets form  
If the stars were made to worship so will I  
I can see Your heart in ev'rything You've made  
Ev'ry burning star a signal fire of grace  
If creation sings Your praises so will I

2. God of Your promise You don't speak in vain no syllable empty or void  
For once You have spoken all nature and science  
Follow the sound of Your voice

### **Chorus 2**

And as You speak a hundred billion creatures catch Your breath  
Evolving in pursuit of what You said  
If it all reveals Your nature so will I  
I can see Your heart in ev'rything You say  
Ev'ry painted sky a canvas of Your grace  
If creation still obeys You so will I  
So will I So will I

### **Bridge**

If the stars were made to worship so will I  
If the mountains bow in reverence so will I  
If the oceans roar Your greatness so will I  
For if ev'rything exists to lift You high so will I

### **Bridge**

If the wind goes where You send it so will I  
If the rocks cry out in silence so will I  
If the sum of all our praises still falls shy  
Then we'll sing again a hundred billion times

3. God of salvation You chased down my heart  
Through all of my failure and pride On a hill You created the light of the world  
Abandoned in darkness to die

### **Chorus 3**

And as You speak a hundred billion failures disappear  
Where You lost Your life so I could find it here  
If You left the grave behind You so will I  
I can see Your heart in ev'rything You've done  
Ev'ry part designed in a work of art called love  
If You gladly chose surrender so will I  
I can see Your heart eight billion different ways  
Ev'ry precious one a child You died to save  
If You gave Your life to love them so will I

### **Ending**

Like You would again a hundred billion times  
But what measure could amount to Your desire  
You're the One who never leaves the one behind

## Your Love Never Fails

1. Nothing can separate  
Even if I ran away  
Your love never fails  
I know I still make mistakes but  
You have new mercies for me ev'ryday  
Your love never fails

### **Chorus**

(And) You stay the same through the ages  
Your love never changes  
There may be pain in the night  
But joy comes in the morning  
And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
(Your love never fails)

2. The wind is strong and the water's deep  
But I'm not alone here in these open seas  
Your love never fails  
The chasm is far too wide  
I never thought I'd reach the other side  
Your love never fails

### **Bridge**

You make all things  
Work together for my good  
You make all things  
Work together for my good
