## Virtual Death Café

Friday, May 21<sup>st</sup>, 2021 12:00 - 1:30 PM

Bring your lunch or a snack and join the Age Wave Advance Care Planning Coalition for open, constructive, life-affirming conversations about living, dying and end-of-life questions in a friendly, non-judgmental, comfortable environment - your own home or office.

A Death Café is a group-directed conversation at which people, often strangers, gather to talk about the topic of death...with no set agenda, objectives or themes. Death Cafés are FREE and open and respectful of people of all communities and belief systems.

To **REGISTER** go to: <http://www.wellspan.org/events/details/Age-Wave-Death-Cafe---Virtual/3086>  
A ZOOM link will be sent to individuals after registration is completed. For more information or if you have questions, call Eve Gardner, WellSpan Health at 717-812-2989.

*This event is being presented by The Age Wave Initiative Advance Care Planning Coalition. The Coalition promotes the conversation and completion of documents needed for Advance Care Planning at all ages. Advance Care Planning provides a way to communicate your wishes for end-of-life treatment based on your goals and values.*
